The Schedule area lists student's classes in each period and term along with the time and location the class meets. Parents can use this tool to find out the classes the student is taking along with the teacher's name and room number. A copy of the schedule can be printed in the Reports area.
Click on the class and the page will display the option of Course Information, Grades and Upcoming Assignments. In the Course Information section contact information for the teacher is provided as well as counselor information at the high school level with interactive links you can click on if you need to contact them.
