# Preschool Prepares Children for Success

## Dysart offers three preschool programs for children ages 2-5

**Peer Role Model Preschool** is a program for typically developing children (who are 3 or 4 years old by August 31, 2023) to serve an important role in the classroom alongside students with developmental disabilities. Tuition is charged at non-Title I schools.

**Growing Minds Preschool** is a tuition-based program operated by the Community Education department. Growing Minds has a main site as well as satellite sites at Freedom Traditional Academy, Marley Park, and Mountain View (NEW!). Visit [Dysart.org/GrowingMinds](https://dysart.org/GrowingMinds) for details.

**Developmental Preschool** provides special education services to students with an Individualized Education Plan (IEP) in an inclusive setting.

## Is Your Preschooler's Development on Track?

If you are the parent of a preschool child or know of a preschool child with suspected developmental delays, residing within the boundaries of the Dysart Unified School District, you're eligible for a free Child Find screening. Suspected delays may be evidenced in the areas of communication, cognition, behavior, physical, auditory, visual and/or sensory development. Free screenings and/or diagnostic evaluations help determine those children eligible for special education services. For details and a complete list of screening dates throughout the year, visit [Dysart.org/ChildFind](https://dysart.org/ChildFind) or call 623-876-7022 and select option #2.

## Dysart offers a FREE, Full-Day Kindergarten Program

Dysart Schools is one of few programs in the area that offers FREE, FULL-DAY Kindergarten in a safe, caring environment. The Dysart Kindergarten program follows Arizona state standards, and offers hands-on, real-life activities in the areas of cognitive, social, and physical development.

# Get Involved!

Dysart offers a variety of ways that the community can become involved in our schools and provide valuable support to ensure students excel.

## 1 Volunteer

Volunteers help to enrich children's learning opportunities, provide individual attention to children who need one-on-one assistance, promote a school-home-community partnership for quality education, provide staff members with more time to work with students, and assist staff members and support personnel with non-instructional tasks.

*Learn more at [dysart.org/Volunteer](https://dysart.org/Volunteer)*

## 2 Donate through the AZ Education Tax Credit

Our community can support Dysart schools and receive a dollar-for-dollar state tax credit. Arizona Law (ARS 43-1089.01) allows married couples filing jointly a tax credit of up to \$400 and individual taxpayers a tax credit of up to \$200 when they contribute to extra-curricular activities in public schools. This tax credit is available to all who reside in Arizona and have a tax liability at least equal to that of their donation. You do not have to be a parent of a child in a Dysart school to benefit from this program.

Donors may choose one of four categories and a school to support, and 100% of your donation goes directly where you designate it. Donations may be submitted through tax day each year. *Learn more at [dysart.org/TaxCredit](https://dysart.org/TaxCredit)*

## 3 Join a Committee

Dysart Schools has district-level committees that seek involvement from members of the public. Anyone interested can complete a Committee Interest Form to get involved with one or more available committees. *Learn more at [dysart.org/Committee](https://dysart.org/Committee)*

## Join our Team!

Dysart is the largest employer in both the cities of Surprise and El Mirage with over 2,700 employees. Dysart Schools offer highly competitive salaries, full benefits and an inviting school-year calendar with holidays and weekends off for most positions.

With a wide-variety of positions ranging from groundskeeper, to mechanic, to office staff, and teachers, we're always looking for great people to join our Dysart team!
