

## **COVID-19 Mitigation Plan 2022-2023 School Year**

**Face Coverings / Masks** – Face coverings and masks are not required for all staff, students and visitors to all schools and campuses in the Dysart Unified School District.

**Vaccinations** - COVID-19 vaccinations are not required for students, staff or community members to attend school, school events or to be on the school campus.

**Isolation** - Any staff or student that tests positive for COVID-19 should isolate for a minimum of 5 days and end isolation when symptom free.

**Direct Contact** - Dysart is not conducting contact tracing and direct / indirect contact letters will no longer be sent. Should the Maricopa County Department of Public Health notify a parent regarding a direct contact and tell them they must quarantine, the district asks that families adhere.

**Personal Protective Equipment (PPE)** – PPE is available to any student or staff member upon request. Students and staff are encouraged to continue with frequent hand washing and to practice good hygiene.

### **Additional Information –**

- Air scrubbers have been installed in all Dysart Unified School District facilities to assist with air quality
- Additional cleaning supplies are available to staff upon request
- Athletic events have returned to normal operations
- Visitor and volunteer operations have returned to normal
- Cafeteria operations have returned to normal.
