- D. Upon completion of regulation time, a tie will result in the following:
 - a. Regular season: two five (5) minute overtime sessions. No shootouts.
 - b. Post season: two five (5) minute overtime sessions. After the second overtime session ends in a tie, a shootout will occur. Each team will get five (5) shooters picked from the eleven (11) players on the field at the end of regulation. Each team alternates shots until all five (5) shooters are complete. The team with the most goals wins the game. If tied after five (5) shooters the score remains tied, each team gets one (1) additional shooter to determine a winner.
