Location:

IMD classes take place at Growing Minds Preschool. We have three rooms located at the back of the building. All students and parents enter the facility through double doors located under the In Motion Dance sign. This is a secure facility that requires a key card. All registered students will receive a card on their first day of class.

We have restrooms in two of the three dance rooms. We have cubbies for students to place bags, shoes, and water bottles. Due to the nature of the space, it is not a full viewing experience for the parents. Parents may wait in a breakroom located in the area or in the halls. We ask that you do not sit in the doorways of the dancerooms and do not speak to your child while class is in session. Allow the teacher to manage the children accordingly. If for any reason a teacher needs assistance with your child, they will advise you to step in to help.

Staying Informed:

Remind: This is an app that can be downloaded on your phone. Messages, documents, photos and more can be sent using this app. You can also access your Remind from a computer. This, along with email, will be the main ways that information will be communicated.
