WHAT'S HAPPENING AT THE RANCH, AN "A" RATED SCHOOL

Greetings Mustang Families and happy Friday,

Today we had our winter assembly to recognize our student athletes. We are so proud of the growth we have seen in our students as they represent our community. On January 30 we will celebrate our scholars with our honors and awards ceremony. Additionally, we are seeing an uptick with Mustang PROUD behaviors. It is so to have that positive influence on our campus. Thank you for sharing your amazing kids with us!

Benchmark testing is right around the corner. Please discuss the importance of these assessments with your students to ensure they perform their best as we use their results for placement in other supportive classes.

Take time to be kind and as always - PROUD to be a Mustang!

CAMPUS REMINDERS

In this section we address student behavior concerns that we see happening or increasing in numbers on campus. We want to ensure we are providing the best environment fore student safety and education for our students.

The school day begins at 8:15. To ensure teachers who are on duty can greet students and to ensure students are in their Round Up class by that time we ask that student arrive no later than 8:10. The parent drop off gate does close at 8:10. If your student arrives after that time, please have them enter through the front office.

We will continue to review our school rules with students during Round Up and share out with you on our Weekly Dispatches.

You can find the [Student and Parent Handbook](#) online.

ACADEMICS

Honors and Awards ceremony will be held Jan 30, at 9am in the cafeteria. We will be recognizing students who earned honor roll, Principal's List and PROUD awards.

Our quarterly PROUD recognition for students who are in good standing (no referrals for 3rd quarter), had good attendance, and passing their classes will be on March 14. We are accepting donations of snacks if you would like to support.

More From Officer Moore

Hello Mustang families,

It was a great week of growth! I have completed our aggression vs peacemaker classes this week ending with 7th grade. My next update will have a new class topic in place as we continue to engage in a healthy dialog to produce better outcomes for your student.

It has come to my attention through staff, students are being dropped off at the cross walks in the roadway and at the beginning of the driveline. In an effort to keep your student safe please pull into the driveline drop off area and do not let your student out while your vehicle is on a city street, many times this will obstruct the bike lane, your vehicle is a traffic hazard, and impedes the flow of through traffic.

Thank you for your help on this. Have a wonderful three day weekend!

Thanks again
