WHAT'S HAPPENING AT THE RANCH, AN "A" RATED SCHOOL

Greetings Mustang Families and happy Friday,

This week we held our first Town Hall meeting of the year. Each Round Up class selected a representative and alternative representative. This is an opportunity for students to bring concerns and possible solutions to administration and then report back to their Round Up classes the outcomes. Concerns brought forward this time were playing nice on the soccer field, DUSD food truck being absent on campus this year and restroom behaviors.

We also celebrated students who received honor roll, principal's list and PROUD character awards at our Honors and Awards assembly. Thank you to all the family members who came and supported our students.

As benchmark result start to come in we will be looking at the student performance results and using them to support our students in preparation for State testing. Please support us with words of encouragement for our students to do their best on all assessments.

I hope you have the most amazing weekend. Take time to be kind and as always - PROUD to be a Mustang!

Ms. Parachini, PROUD principal

More From Officer Moore

Hello Mustang families!

I would like to congratulate all the academic award recipients from yesterday's event. It is wonderful to see so many thriving academically and upholding Mustang PROUD values! The staff works tirelessly to make sure your student is thriving and prepared for their next steps.

I am excited to announce our next topic for law education for kid's classes, a culture of kindness. This class will incorporate multiple topics on healthy interactions, working through differences, decision making, and of course a law component. With the success of our Aggressor and Peacemaker course I am really excited to get back in class with the students to help them learn, grow, and navigate through this important time in their lives!

As a reminder for drop off and pickup, please ensure you are not dropping your student off in the roadway. I certainly understand we all have busy mornings; however, we do have a lot of non-school related traffic coming through our school zone in the mornings specifically that do not pay attention to speed or our crosswalks. To ensure a safe drop off for your student, please do not become a traffic hazard and drop off in the roadway. Please use the drop off line, or wait to drop off when you are inside the lane.

Thank you for all the support. I have met so many of you and thank you for the kind words. Please reach out with any concerns or needs.

Thanks again

CAMPUS REMINDERS

In this section we address student behavior concerns that we see happening or increasing in numbers on campus. We want to ensure we are providing the best environment fore student safety and education for our students.

Dude. Be nice. This is something we say on the daily to our students who are struggling with having positive interactions with peers. A little kindness goes a long way. Not only that, positivity, respect and unity are all part of our Mustang PROUD values and school rules. So...Dude. Be Nice.

We will continue to review our school rules with students during Round Up and share out with you on our Weekly Dispatches.

You can find the [Student and Parent Handbook](#) online.
