WHAT'S HAPPENING AT THE RANCH

Greetings Mustang Families and happy Friday,

We are beyond thrilled to announce that Ashton Ranch has been recognized as an **"A" school** by Arizona Department of Education. This is a testament to our students' hard work, determination and the incredible support of our Mustang families. This achievement reflects the commitment of not only our students, but our entire staff and families, to uphold the highest standards and expectations for education and growth.

Today we hosted our first Mustang Monster Mash for students who have consistently demonstrated Mustang PROUD values so far this year. This ghoulish event took place during an extended lunch where students were welcomed into our VIP area to play games, have snacks and listen to music. We look forward to recognizing their efforts and reinforcing the positive PROUD behaviors that make Ashton Ranch a great place to be. An extra special thank you to those of you who donated snacks for this event.

Thank you for your trust in us as we work daily to serve our students.

Now more than ever, take time to be kind and as always - PROUD to be a Mustang! - Ms. Parachini, principal

Both breakfast and lunch are served to students each and every day. We provide designated areas (cafeteria and courtyard) for students to eat and socialize. Students are not to be eating in classrooms and hallways. Students who are eating in undesignated areas will be directed to throw away their food item(s).

You can reueiw the handbook regading student behavior expectations and their definitions. You can find the [Student and Parent Handbook](#) online.

Congratulations to Stephanie Baran and Noah Nance who placed 1st and 2nd, respectively, in our spelling bee.

More From Officer Moore

Happy Friday Mustang families,

I hope you had a safe and fun Halloween! As a reminder, please make sure your student is not dropped off or picked up at the park before or after school. The park on the west side of the school campus is owned by the Ashton Ranch HOA, and due to the rise in incidents at the park we are requesting all students head to the school gates or out of the immediate park area during school hours. The door to door program is enforced to and from school, so let's all do our part to stay safe and grow together! I hope you all have a wonderful and restful weekend. As always, if you or your student need me feel free to reach out!
