WHAT'S HAPPENING AT THE RANCH, AN "A" RATED SCHOOL

Greetings Mustang Families and happy Friday,

Welcome back from spring break. We have now entered testing season. This week we tackled AzSci at the 5th and 8th grade levels. Next week begins AASA testing for writing followed by reading and math. Please be sure that students get a good night's rest the night before testing, eat a good breakfast the day of testing and bring a fully charged chromebook. Do your best Mustangs and make us PROUD.

We have some amazing events coming up this last quarter of the school year. Mark your calendars for Color Wars, Future 5th Night, 8th grade promotion and more!

I hope you have the most amazing weekend. Take time to be kind and as always - PROUD to be a Mustang!

More From Officer Moore

Happy Friday Mustang families,

Hope all of you had a wonderful spring break. This week was state testing week, so I am sure it seemed much longer than a regular week for the testing students!

Over the next few weeks there will be more testing, after testing is completed, we will be starting a new LRE topic, and I am hoping to get through all grades before the end of the school year. If your student has topics, they would like to see covered for Law education feel free to have them contact me, I enjoy teaching topics the students are interested in.

If you have a student that rides a bike or scooter to school, please have a conversation with them about walking their bike or scooter across the crosswalk to ensure no accidents or falls. Currently we are short a crossing guard at some of the crosswalks and are doing our best to keep the students safe. Ensuring students walk across the crosswalk will help us do that.

Thank you for giving me the opportunity to be the SRO here at Ashton Ranch, it is truly a privilege.

Thanks again

CAMPUS REMINDERS

In this section we address student behavior concerns that we see happening or increasing in numbers on campus. We want to ensure we are providing the best environment for student safety and education for our students.

Parents and students - please review our dispatches to ensure that you are keeping abreast of our rules and guidelines. We have been seeing increased student behaviors that have been addressed in this section. We need your support to ensure students are safe and have a productive learning environment. Thank you!!
