ELEMENTARY SCHOOL

Dear second-grade families,

In second grade we are a community of learners. As a community, we have classroom supplies for all students to share. Students may also bring individual supplies. Below is a supply list of optional items for each student and a classroom wish list that will be shared by all students. Please make sure to write the students' names on the supplies so that they will not get them mixed up with anyone else's. Student supplies will be kept in their pencil box. Donated supplies will be kept in community baskets.

Thank you in advance for your support.

Second Grade Team
