2025/2026 Family Engagement Goals

Vision: West Point empowers students to be lifelong learners.

Mission : West Point provides a safe, arts-enriched environment to ensure all students learn at high levels.

We, as a school, realize the impact that parents have on the growth and success of our students. We, therefore, have a school plan for parental involvement that will describe the means for carrying out the requirements of *Every Student Succeeds Act*. Our students' parents and the community shall be notified of the plan and its availability. Our Parental Involvement Plan shall be updated periodically with the involvement of our students' parents.

To accomplish this, West Point Elementary here shall: (8/12/25)

- Explain the requirements and the rights of the parents to be involved
- Offer a flexible schedule of meetings (e.g. mornings and evenings)
- Involve parents in an organized, ongoing and timely way to plan, review and improve programs, such as the Parental Involvement Plan and
- Provide the parents of our students with
 - Timely information
 - An explanation of the curriculum to be used
 - The forms of academic assessments used to measure student progress
 - Proficiency levels that students are expected to meet
 - Opportunities for decision-making related to the education of their children
