## School News and Updates

### Student Pick-up Signs

With the extreme heat during dismissal, our goal is to help families quickly and efficiently connect with their students. This is a team effort between our staff and all families visiting campus. Please review the procedures below to help us make dismissal smooth and safe:

- **Have your student pick-up sign ready.** All families—whether driving through the pick-up lane or walking up—should display their student pick-up sign. Each student received three copies at Meet the Teacher or on the first day of school. If you need a replacement, please contact your child's teacher.
- **Pull forward in the pick-up lane.** When driving through, please pull as far forward as possible to allow more students to load at the same time.
- **Consider using a satellite gate.** Satellite pick-up and drop-off locations can help avoid congestion. View locations [\*\*HERE\*\*](#).

Thank you for your cooperation in keeping dismissal safe and efficient for everyone.
