Title 1 News

West Point's Title I budget is determined by the percentage of students who qualify for Free and Reduced Lunch. Because all students currently receive free breakfast and lunch through a grant, fewer families have completed the **Alternative Income Form**. As a result, our Title I budget has been reduced by approximately **\$30,000**.

You can help support our school by completing the Alternative Income Form at schoolcafe.com.

The application takes less than five minutes to complete and makes a significant difference for our students.
