### **Parking Lot Reminders**

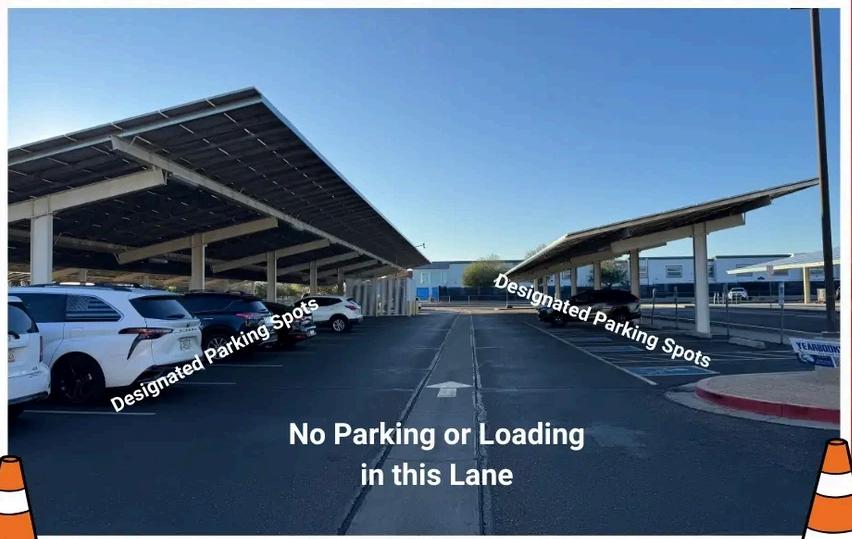

The new year is a great time to remind families of the West Point drop off and pick up parking lot procedures. With safety and efficiency in mind, please remember that cars should only park in designated parking spots. Please do not leave vehicles unattended in the through lanes of the parking lot. If all parking spots are full, please patiently wait for one to open up. Spots quickly become available once kindergarten dismisses.

Student loading should only happen if cars are in the drop off loop lane or parked in the designated parking spot, never in the parking lot lanes.

The satellite gates are still open for drop off and pick up and may be a good option for families. More information and maps can be found on our school website at:
