## Message to Families Using Satellite Gates

We need your partnership in ensuring that student pick-up at the satellite gates is both safe for our students and respectful to our surrounding neighborhood. Recently, we have noticed several unsafe practices taking place during dismissal, including:

- Double parking or stopping in the middle of the street
- Blocking the cul-de-sac or residential driveways
- Students running through traffic to reach their ride

These behaviors create serious safety concerns and also cause frustration for our neighbors who live near the school.

We ask all families to please be mindful of the following:

- **Be a good neighbor** – Do not block driveways or intersections.
- **Follow traffic and parking laws** – Avoid double parking or stopping in the flow of traffic.
- **Drive safely** – Maintain the speed limit and watch carefully for students crossing.
- **Use designated areas** – Park legally and walk to meet your child if necessary.

Our shared goal is to keep all students safe and to maintain positive relationships with our school community and neighbors. Thank you for modeling safe and courteous behavior for our students.

We appreciate your cooperation and continued support.
