## News and Updates

The Dysart Override Continuation and Bond initiatives focus on academic success, safety, and program offerings for students. If approved, here are a few of the ways students will be supported:

- 150 additional teachers to maintain class sizes
- Increased measures to keep students safe
- Updated AC systems to ensure a safe learning environment
- Full day Kindergarten to ensure a strong foundation
- Safe transportation to and from school
- Arts, physical education, and athletic programs

If the 2025 Override Continuation & Bond pass, homeowners would simply continue to support student needs. Learn more at **[Dysart.org/Election](https://dysart.org/election)**.
