Hello West Point Families-

August 14, 2022

Happy Week 3 of School!

For parents interested in carpooling to or from school, we are holding an open house on Wednesday, August 17th from 4:00-4:45 PM in our library. While the school will not be organizing carpooling, parents interested in making connections with other West Point families are welcome to attend and network.

6th, 7th & 8th Grade Parents- We need your help! Many students are not bringing their school-issues chromebooks to school or are not properly charging them each night. This has posed a huge challenge during the school day as all curriculum has some online components. Starting on Monday, we will be instituting a two strikes system. Students who are not prepared with their chromebooks at school two times will be required to keep their Chromebook at school. Each classroom has a locking Chrome Cart to house and charge the chromebooks. We want our students to have access to a device so they can complete work and prepare for tests at home; however, it is required that they are brought to school daily. Thank you for your help!

Last week, we held our Back to School SPARK pep assemblies. Be sure to join our [Facebook](#), [Instagram](#), or [Twitter](#) accounts where you can view pictures from the assemblies.

Have a great week!  
Amy Mikos, Principal
