Hello West Point Families-

August 29, 2022

We are pleased to announce that West Point is again the recipient of a grant to provide Yoga classes to our students free of charge. The goal of the SPARK Adventures Yoga program is to introduce children to yoga to not only build strong bodies but other skills that they can take off of the mat. Emphasis will be placed on posture, breathing, anti-bullying techniques, self-esteem and stress management. Kids can build confidence, improve focus, increase flexibility, and develop relaxation techniques that help with difficult times. Parents interested in signing up their children for this after-school program can email leslie.levan@dysart.org. Classes will begin at the end of September.

Thank you for those who joined us this past Tuesday for the Curriculum night. Grade level presentations will be shared on Monday for those who missed the information. Also, going home this week are the Title 1 School/Family compacts. Please sign and return this with your child to their homeroom teacher.

Have a great week!
Amy Mikos, Principal
