Goal #1 Future plans

Community Service projects getting started and expanding

Lower grade teachers speak to Ms. Matakas about bringing the older, leadership students to the lower grades and what that's going to look like.

Leadership, older students are ready to begin

Goal #2 Community Involvement

Staff adults to do community involvement project, even once or twice.

As a group they can decide on the activities.

It can be off an activity off campus (Salvation Army, Veteran's, Sun City clean yards)

Possibly a Monday (PLC) go do something community service oriented

One first semester, one second semester

Goal #3 Behavior

Student behavior

Behavior, doing behavior cards, remaining consistent

Behavior numbers have lowered

Behavior is progressing really well

Finances

*Going over report and balances
