### **A Message from Principal Brown**

Good Afternoon Falcon Family,

Happy New Year! I hope that all of our families had an enjoyable holiday season and great winter break! We look forward to seeing all of our students when they return to school tomorrow!

We will celebrate students' accomplishments from the second quarter on January 17th during our Quarterly Award Assemblies. Your child's teacher will let you know in advance if your child will be receiving an award. We hope you can join us to celebrate the children! The times are listed for each grade level's assembly are listed below.

Our 5th grade classes will be visited by Principal Richards, from Cimarron Springs Middle School this week. She will be distributing course selection forms to each student to complete and return to school. Please assist your child in selecting electives for 6th grade and ensure that the course selection forms are returned to school no later than January 17th.

As we begin the second semester of this school year, we continue to be highly focused on our goals of increasing student achievement and positive behaviors on campus. Having both staff and parents hold high expectations with accountability is important in this endeavor! Please partner with us in teaching and reinforcing positive, productive work and study habits, as well as proper behaviors to display at school.

Thank you,

**Principal Stacie Brown**
