

What's Up, Wildcats?

Chat from 'Chini

Greetings Wildcat Families and happy Friday!

We had a great week back from Fall Break. We started off with our monthly Town Hall. This event provides the students the opportunity to meet directly with administration to share celebrations and they have in the classroom, on campus and in their activities. Concerns are collected and admin discusses as a team and brings back information to them the next month. This month most of their concerns had to do with lunch options and walking on the grass. There is a survey that was sent out directly to student emails via Parent Square regarding lunch options. Our lunch program looks to this input to make changes to our menus. Regarding the grass, we have explained why we have asked them to use the sidewalks as it helps with keeping our campus looking amazing, it helps keep maintenance costs down and it shows respect to our campus.

Course selection will be here sooner than expected. This the opportunity for students to choose electives as well as AP/IB courses. To start this off, we will be welcoming 8th graders on campus next week to take a tour of our CTE and elective classes and on November 6 we welcome all future Wildcats to our Future Freshman Night. We do make our master schedule based off of student choice so please choose wisely!

I hope you all have a fantastic weekend. Take time to be kind - WIN today!
