

What's Up, Wildcats?

Chat from 'Chini

Greetings Wildcat families and happy Friday!

This week we had some rumors floating around that impacted the potential safety of our campus. Some of these rumors were small and insignificant, some had the potential of getting out of hand. All of them we take seriously and address accordingly.

Rumors—especially those spread without facts—can cause serious harm to the safety, well-being, and culture of our campus. Sharing unverified information can escalate fear, disrupt learning, and divert critical time and resources away from keeping students and staff safe. Even casual conversations or “hearing something” repeated to others can quickly grow into misinformation with real consequences. We expect all members of our community to refrain from spreading rumors and instead report concerns directly to school staff so they can be properly investigated. A safe and healthy campus depends on responsible communication, trust, and a shared commitment to protecting one another.

Have a wonderful weekend, and remember to take time to be kind.

Student Rights & Responsibilities

All students are entitled to enjoy the basic rights of citizenship that are recognized and protected by laws of this country and state for persons of their age and maturity. Each student is obligated to respect the rights of classmates, teachers, and other school personnel. District schools shall foster a climate of mutual respect for the rights of others. Such an environment will enhance both the educational purpose for which the District exists and the educational program designed to achieve that purpose.

All District personnel shall recognize and respect the rights of students, just as all students shall exercise their rights responsibly, with due regard for the equal rights of others and in compliance with the rules and procedures established for the orderly conduct of the educational mission of the District. Students who violate the rights of others or who violate rules and procedures of the District or of their school are subject to appropriate disciplinary measures designed to correct their own misconduct and to promote adherence by them and by other students to the responsibilities of citizens in the school community.
