

## MESSAGE FROM THE PRINCIPAL

Shadow Ridge Families,

It's a great day to be a Stallion. We are off and running with Semester 2. We would like to thank all of our families for a great first semester and look forward to what your student will accomplish this semester. Winter sports are in full swing and will start to finish up in the next few weeks. With the end of Winter Sports begins the start of Spring Sports. If your student is interested in participating in any of these, please have them stop by the Athletic Department to learn more about getting registered.

We also wanted to let you know that after school tutoring has now begun. If your student is in need of additional supports, please have them reach out to their teachers to see what days they are offering after school tutoring. Besides after school tutoring, we will once again be offering Saturday Academy as another option to ensure your student's success. Please see the link below for more information along with dates for ACT Prep for our Juniors.

Lastly, we wanted to let you know that February 9th, students will be taking a practice state assessment that teachers will utilize to help support student growth towards state assessments later this semester. Furthermore, seniors will be given the ASVAB test on February 14th.

### IMPORTANT DATES TO REMEMBER:

January 21st: Hoopcoming Dance from 7:00-10:00
