The 6th, 7th, and 8th grade students will have the opportunity to express their creativity by drawing, painting, and displaying their Art at FTA. This group will allow students to use art as way of relieving stress, and boosting overall happiness by connecting with other FTA students. Students will be able to use their imaginations and feel part of a school that does not have any art classes or spaces of expression currently.

It will be approximately 12 hours and it is not to exceed \$400.00
