# WELCOME INFORMATION

Welcome to the annual Dysart Festival of the Arts. Our students are excited to showcase the visual and performing arts from around the Dysart District. We encourage you to spend as much time as you would like visiting art exhibits, watching performances, shopping at our vendor fair, and enjoying food. Thank you for coming and joining in this wonderful day as we experience and celebrate the fine arts.

Be sure to stop by our Arts Experience area in the gym or our Adaptive Arts Experience area in the media center, offering multiple hands-on opportunities for EVERY attendee to try their hand at being an artist. Examples include 30-minute workshops on dance, bucket drumming, piano, ukulele, art projects and our virtual reality arts field trip.
